

BRAD'S BIG DECISION

Brad LOVED computer games, especially the ones his parents didn't want him to play!

These games are so violent... I wish he'd play outside more!

...Even when he played outside, he pretended he was a character in the game!

Brad, you want to see something *really* cool? Look here!

Brad's eyes opened wide...

Brad stepped back. He knew the difference between pretend and *real* danger.

You're chicken!

That didn't matter to Brad. He turned around and left quietly.

Like Peter, who tried to talk people into turning away from wrong things...

Brad had the wisdom to know right from wrong... and the courage to make the **RIGHT** choice.

He knew some things are serious and real, not just a game!

ASK AN ADULT!  
NEVER PLAY WITH GUNS.
